

Providing Peace of Mind for 95 Years

Our experienced staff offers a welcoming approach to families as they bereave the loss of their loved ones and plan for burial. As Catholic Christians, we believe the promise of eternal life trumps death. Founded in 1919, Holy Cross Catholic Cemetery provides peace of mind and offers families continuity, sacred tradition and respectful care.

More Affordable At-Need and Pre-Planning Options

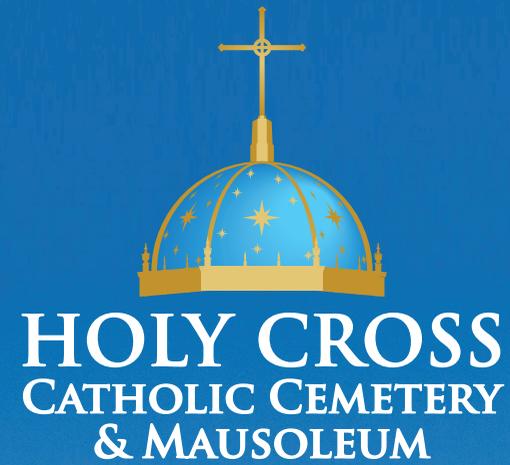

Holy Cross is more affordable than the other local corporate-owned cemeteries. As a ministry of the Catholic Church, we want to help ease the stress of this painful time by offering flexible financing. We offer monthly payment plans with a low down payment, no finance or interest fees, 90% refunds, and we require no credit check. By pre-planning, you can help save your family thousands of dollars. Holy Cross also provides free burials for police, firefighters and military lost in the line of duty.

Brothers & Sisters
in Christ,

Holy Cross Catholic Cemetery and Mausoleum has been our Diocesan cemetery for nearly 100 years. Whether you choose to be cremated, buried in the ground or laid to rest in the mausoleum, I encourage every Catholic to consider their sacred right and calling to choose burial in our Catholic Cemetery. Holy Cross Catholic Cemetery is a blessing for all Catholics.

— Most Reverend Bishop Cirilo Flores

Why Choose A Catholic Cemetery?

Just as we celebrate the sacrament of Baptism in a Church when we enter parish life, the burial rite celebrated in a Catholic cemetery completes that tradition. Holy Cross is the only cemetery in San Diego that offers weekly prayer for your eternal life — the final step in Catholic Funeral Rites. As Catholics, we believe in the dignity of each person, the importance of Baptism, the reality of the Resurrection of Jesus, the promise of Eternal Life, and the celebration of the Eucharist as the Great Act of Thanksgiving for Redemption.

Located on consecrated land, Holy Cross offers a place for quiet reflection, devotion, meditation and prayer as well as the sacrament of the Eucharist, celebrated every Friday in our beautiful Mausoleum Chapel. As a Church, we believe in the *Communion of Saints* and call on the prayers of the faithful to help us in our journey to Heaven.

Over the past 95 years, Holy Cross has been entrusted with more than 65,000 burials. As part of the Catholic church, its stability is expected to endure long after private or commercially-run cemeteries. When you choose a Catholic Cemetery, you are laid to rest with people who share the same faith, traditions and heritage. Giving your loved one a proper burial is a Corporal Work of Mercy and an act of love.

Why Pre-Plan?

Handling the death and burial of a loved one can be very stressful and difficult. When you take the time to pre-plan, you are lovingly sparing your families the stress of tough decisions at a time of emotional grief, and this helps to eliminate conflict. Pre-planning also ensures your choices and preferences of location and type of burial will be carried out. In addition, you receive financial protection from inflation and can choose a five-year, no-interest payment plan. Pre-planning also helps preserve life insurance for its primary intended purpose—to provide for your family in the event of your death.

Why Holy Cross?

Beautiful Grounds and Buildings: Holy Cross invests more in upkeep than any other San Diego Cemetery. Holy Cross Cemetery sits on 42 acres of sculpted gardens divided into sections honoring various saints. The campus incorporates the richness of the Catholic faith through masterful artwork, bronze and marble statues, and a beautifully designed and architected chapel filled with stained glass, mosaics, icons and paintings. There is a special section dedicated for veterans and their families as well as the unborn.

Easy to Work With: We provide a variety of burial choices to meet preferences, budgets and wishes including in-ground burials, marble cremation niches and crypts, mausoleums, and columbariums of glass-fronted niches to display personal urns. We are centrally located with easy freeway access.

Non-Pressured Approach: Whether you come to us in an At-Need or Pre-Need planning situation, we provide our clients with a non-pressured approach. Unlike other San Diego cemeteries, Holy Cross offers a 90% refund and flexible financing. We want what's best for you and your family!
